Following Christ ☆ Connecting Generations ☆ Transforming Communities

The book of Nehemiah gives us some practical help to be people under construction willing to do something and not just complainers who sit and do nothing. Join me as we witness God fulfill God’s promises written by the prophets concerning the return of the people of Israel from 70 years of captivity to the land of their inheritance. Witness God change the hearts of the great kings of the ancient world, Cyrus Darius and Artaxerxes of Persia. Discover how if God can work through people like Joshua, Ezra, and Nehemiah to rebuild the wall of Jerusalem and reestablish the law of Moses, helping to renew people’s faith, God can work through you too!

You are invited to read the chapters from Nehemiah each week to prepare for Sunday worship. Please refer to the following schedule as we embark on this construction process together:

“Construction Zone”

January 29	Nehemiah 4:4-23	Stalled Out?
Read Chapters 5 & 6 for next week		
February 5	Nehemiah 5-6	Graciously Loving and Serving Others
February 12	Nehemiah 6-8	Hungry, Hungry . . . For God’s Word
February 19	Nehemiah 9	Worship and Remember
February 26	Nehemiah 10-13	Leaving a Legacy

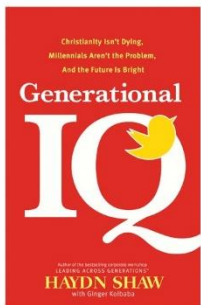

Study on Generational IQ by Hayden Shaw

Do you ever ask the following questions: Why is my daughter drifting from God?
 What do I say to friends who claim, “I’m spiritual but not religious?”

What do I do with my kid, who is putting off marriage but not sex?

The world has shifted dramatically in the last several decades. The cracks of the fundamental shift appear everywhere: in our economy, in our cultural debates, in our political landscape, and most important, in our families and churches. The problem is that we tend to overreact to these changes, fearing that Christianity is dying. We need better generational IQ so we can respond to the changes without being terrified by them.

YOU are invited to join the Church Council on a journey . . .

A journey of taking our vision statement of Following Christ, Connecting Generations, and Transforming Communities seriously. Of truly studying, praying, and being in conversation with one another about the difference in our generations. As Hayden Shaw states: “Christianity Isn’t Dying, Millennials Aren’t the Problem, and the Future is Bright.”

We began this study this past week, but you are more than welcome to still join in the reading and upcoming discussions. See Pastor Jennifer for more information.
